

Ophrys sphegodes subsp. araneola x Ophrys bertolonii subsp. drumana

Ophrys sphegodes subsp. araneola x Ophrys bertolonii subsp. drumana (4x)

Ophrys sphegodes subsp. araneola x Ophrys holoserica subsp. linearis

Ophrys shogodes subsp. araneola x Ophrys holoserica subsp. linearis
Orchis pallens x Orchis pauciflora (2x)

Orchis morio subsp. *morio*

Aceras anthropophorum x *Orchis simia* subsp. *simia*

Ophrys holoserica subsp. linearis (lusus)

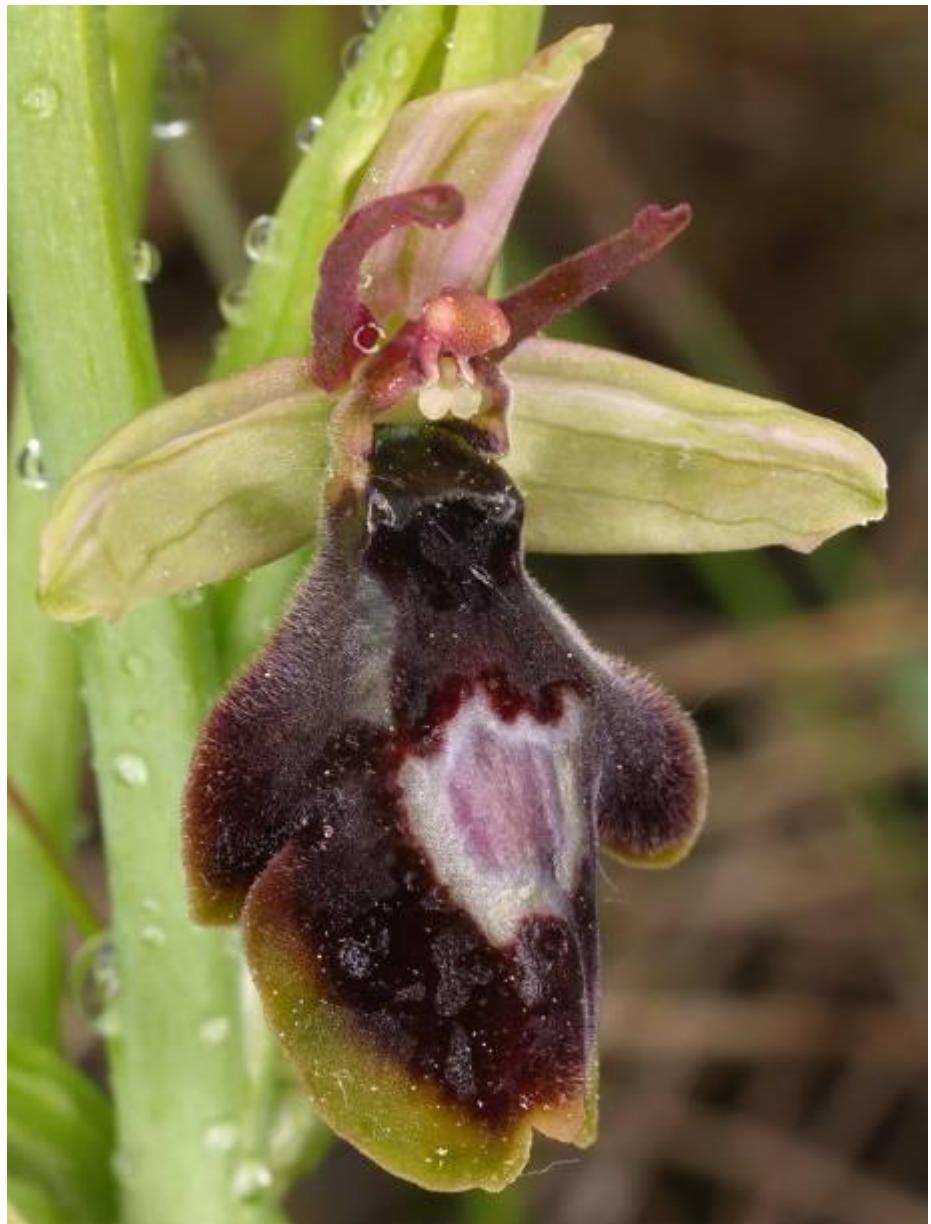

Ophrys holoserica subsp. linearis (lusus)

Ophrys insectifera subsp. insectifera x Ophrys bertolonii subsp. drumana

Ophrys insectifera subsp. insectifera x Ophrys bertolonii subsp. drumana

Ophrys insectifera subsp. *insectifera* x *Ophrys bertolonii* subsp. *drumana*

Ophrys holoserica subsp. druentica in St. Génis?

Ophrys holoserica subsp. druentica in St. Génis?

Ophrys holoserica subsp. linearis lusus flavescens

Ophrys apifera subsp.apifera x Ophrys holoserica subsp. linearis

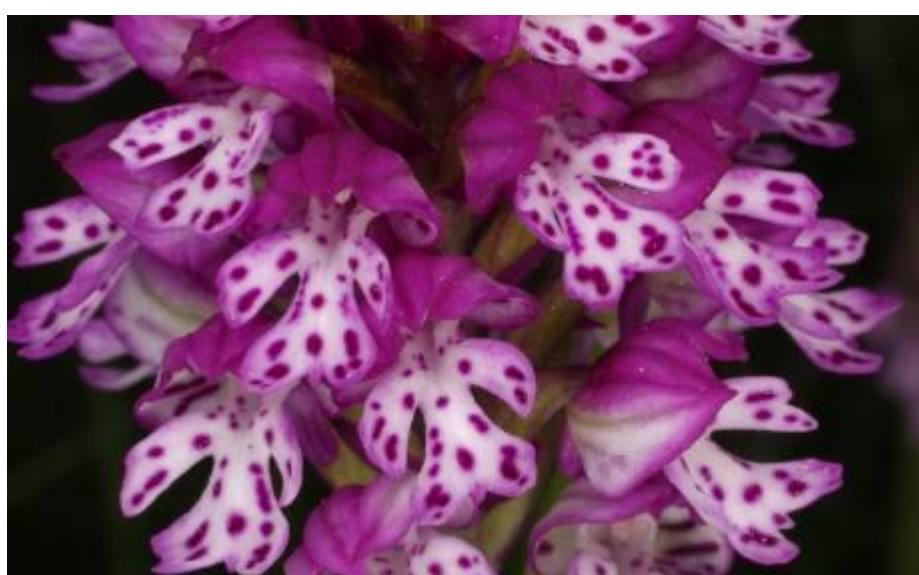

Ophrys holoserica cf. subsp. druentica x Ophrys bertolonii subsp. drumana

Ophrys bertolonii subsp. drumana lusus fulvofusca

Orchis simia subsp. *simia* x *Orchis militaris* subsp. *militaris*
Orchis purpurea subsp. *purpurea* x *Orchis militaris* subsp. *militaris*
Aceras anthropophorum x *Orchis simia* subsp. *simia*

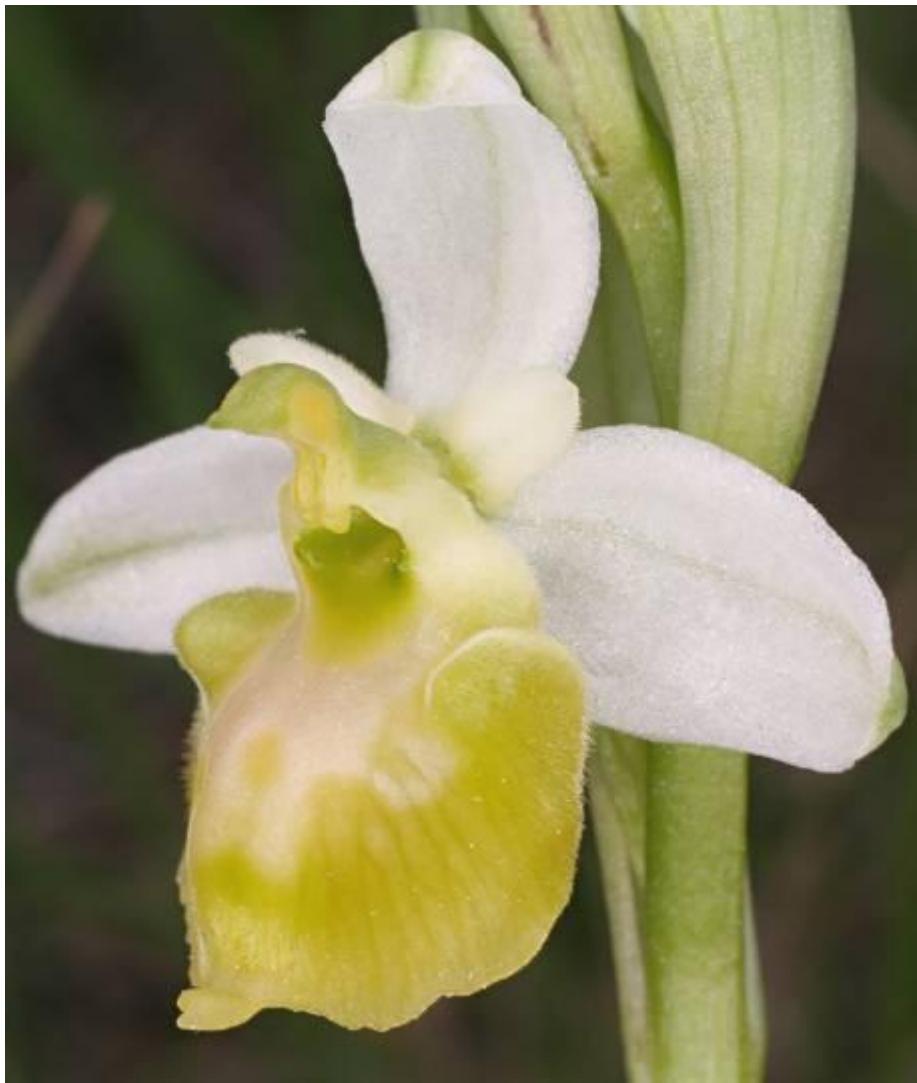

Ophrys bertolonii subsp. *drumana*
mit *Ophrys bertolonii* subsp. *benacensis* ("aurelia") in St. Génis?
Orchis tridentata x *Orchis ustulata*

Ophrys scolopax subsp. cf. picta

Ophrys bertolonii subsp. drumana (lusus)
Ophrys holoserica subsp. brachyotes lusus flavescens
Ophrys holoserica subsp. brachyotes (2x)

Ophrys holoserica subsp. brachyotes lusus flavesens

Ophrys sphegodes subsp. araneola, zwei Sippen?

Ophrys holoserica subsp. linearis x Ophrys bertolonii subsp. benacensis
("aurelia", 2x) zwischen den Eltern

Ophrys bertolonii subsp. *benacensis* ("aurelia") *lusus flavescentis*

Ophrys holoserica subsp. druentica im Vergleich mit Ophrys holoserica
subsp. dinarica (Kroatien); Ophrys passionis subsp. gorganica
Ophrys holoserica subsp. brachyotes x Ophrys bertolonii subsp. benacensis
("aurelia")
